# WHAT CAN A PROSTHODONTIST DO FOR YOUR PATIENTS?

## INSTRUCTOR:

**Igor J. Pesun, DMD, MS, FACP, FRCD(C), FICD(C), FPFA**  
Associate Professor and Head, Prosthodontics; Director, Graduate Prosthodontics  
Department of Restorative Dentistry  
Dr. Gerald Niznick College of Dentistry, Rady Faculty of Health Sciences

and other members from the Dr. Gerald Niznick College of Dentistry  
Graduate Prosthodontics program

## COURSE OVERVIEW:

This lecture aims to provide the general oral health community with information on the procedures that prosthodontists can provide, and how digital dentistry is revolutionizing how care is provided. The program will cover all areas of digital dentistry, including how to perform better tooth preparations, and how to complete two appointment dentures with a computer milled denture. The range of materials that can be milled and printed and various components that dentists and labs need to purchase will be presented. Course participants will learn how to practically apply digital workflow to their practice.

## LEARNING OBJECTIVES:

At the conclusion of this educational activity, the participants should be able to:

- Identify what prosthodontists look at when evaluating a patient
- Demonstrate various types of fixed prosthetic restorations
- Compare various types of fixed prosthodontic materials including the newest ones available
- Differentiate various types of removable prosthetic restorations
- Clarify when each type of removable prostheses are indicated
- Managing removable prostheses

**SATURDAY, MARCH 9, 2019**

**6 HOURS CDE CREDIT**

### LOCATION:

Alpha Omega – Room D112 A  
780 Bannatyne Avenue  
Winnipeg, MB R3E 0W2

### REGISTRATION DEADLINE:

**February 22, 2019**

# WHAT CAN A PROSTHODONTIST DO FOR YOUR PATIENTS?

## SATURDAY, MARCH 9, 2019

### REFUND POLICY:

Registrants can receive a refund provided they give written notice no later than fourteen (14) days prior to the event. An administration fee of \$75 will be retained to cover staff costs of processing refunds and other costs associated with cancellations.

If written or verbal notice of withdrawal is received from a registrant less than fourteen (14) days prior to the date of the event requests for refund will be assessed on a case-to-case basis and are at the discretion of the Office of Continuing Competency and Assessment.

The University of Manitoba Office reserves the right to cancel or postpone any educational program due to an insufficient number of registrations. The decision to cancel will normally be made at least fourteen (14) days prior to the program date. Each registrant will be notified by email and provided with a full refund of all registration fees. The University of Manitoba is not liable for any loss, damages or other expenses that such cancellations may cause, including, but not limited to, non-refundable airline fares, hotel penalties or lost income.

### DISCLAIMER:

The information presented in continuing education courses offered at the University of Manitoba are for educational purposes and not intended to supersede the professional judgement of participants in rendering patient care. Participants are cautioned about the dangers of incorporating techniques and procedures into their practices without adequate clinical experience.

Institutions of dental education have an obligation to disseminate new knowledge and training related to dental practice. Some courses may include controversial materials, philosophies of practice, or commercial references. When a company sponsors a continuing dental education course at the University of Manitoba, this does not imply that the University of Manitoba endorses a particular philosophy, procedure or product.

### STUDY CREDITS

This course is designed for up to **6 hours** of Continuing Dental Education Credits.
