“Wonderful presentation. Lots of good information. Will lead to several changes in my practice.”

Registration, Cancellation and Fee information found on **pages 8 & 9**.

NEW THIS YEAR

BEST OF BANNATYNE WEBINAR SERIES

This series of one-hour webinars showcases the most highly rated sessions from our Fridays @ the University series, as voted by event attendees. Each webinar is accredited for both family physicians and Royal College fellows and would be of interest to any health care provider in primary care. Physicians may claim one credit per hour for each session.

2017-18 PLENARY SESSION SCHEDULE

**Topics subject to change

*Denotes a CFPC 99 priority topic in Family Medicine

Time: 1730 - 1830 | Credits: 1.0 Mainpro+ per session

Fees: Physician \$30 | Nurse & Allied Health \$30 | Resident \$20

Contact: Karyn.Iversen@umanitoba.ca or 204-480-1368

Note: Registration closes at noon on the Monday before the webinar. Prior to the sessions you will receive an email from CPD Medicine with connection details.

THE BEST OF BANNATYNE WEBINARS WILL TAKE PLACE ON THE FOLLOWING TUESDAYS:

October 3, 2017 | November 21, 2017 | January 16, 2018 |
February 20, 2018 | March 20, 2018 | April 17, 2018 | May 22, 2018

TOPICS WILL INCLUDE:

Female Incontinence | Four Essential Medications in Palliative Care | ADHD Update | Wheezing in the Preschool Child | Hot Topics in Infectious Diseases (not just Zika)* | Office Spirometry | Antidepressants – What a Primary Care Provider Needs to Know | MAID | Management of Psoriasis* | Knee Pain in the Office* | Concussion Update* | Lupus

CFPC Mainpro+ Group Learning

This Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been approved by the CPD Medicine Program, University of Manitoba for up to 1.0 Mainpro+ credits.

RCPC Section 1

This event is an Accredited Group Learning Activity (Section 1) as defined by the MOC Program of The Royal College of Physicians and Surgeons of Canada, and approved by the CPD Medicine Program, University of Manitoba for a maximum of 1.0 hour.

Participants should only claim credit for the actual number of hours attended.

Pharmacy Credits

The College of Pharmacists of Manitoba recognizes learning activities that have been accredited by The Royal College of Physicians and Surgeons of Canada (MOC) and/or The College of Family Physicians of Canada (Mainpro+). Pharmacists can claim these continuing medical education programs as accredited learning by selecting the appropriate accrediting body in the member's online Professional Development Log.

BREAKFAST WITH THE EXPERTS

BROCHURE
COMING SOON

Spend Saturday morning with us at our new jam-packed Breakfast with the Experts series! Located in our sunny Buhler Atrium, three speakers will present on common infectious disease topics and guide the learner through practical case studies that address barriers to change in day-to-day practice. Space is limited, so register early!

This session would be of interest to family physicians, specialists, allied health and residents.

2017-18 PLENARY SESSION SCHEDULE

**Topics subject to change

*Denotes a CFPC 99 priority topic in Family Medicine

Time: 0830 - 1100 | Location: John Buhler Atrium, 715 McDermot Avenue

Fees: \$65

Contact: Lenore.Chipman@umanitoba.ca or 204-789-3238

DATES, TOPICS AND SPEAKERS WILL INCLUDE:

November 4, 2017

Richard Gall, MD, FRCSC – Sniffing out the Facts on Sinusitis*

Shane Silver, MD, FRCPC – Spot Diagnosis: Viral Exanthems and Other Cutaneous Lesions*

John Embil, MD, FRCPC, FACP – The Bug Stops Here: Diagnosing and Treating Infections with Antimicrobial Resistant Bacteria in the Community Setting*

May 5, 2017

Pierre J. Plourde, MD, FRCPC – Update in Travel Medicine – Fever from the Tropics*

Eric Bow, MD, MSc, D.Bacteriol., FRCPC – Approach to Lymphadenopathy*

Denise Black, MD, FRCSC – Human Papilloma Virus Treatment and Prevention*

“Great presenters and excellent topics that pertain to daily practice”

MORE THAN SKIN DEEP...TOPICS IN DERMATOLOGY

JANUARY 6, 2017

BANNATYNE CAMPUS CPD
PROGRAM FOR PRIMARY CARE
FREDERIC GASPARD THEATRE | 745 BANNATYNE AVE.
0830 - 1320 | FEES: PAGE 9

** TOPICS SUBJECT TO CHANGE
* DENOTES A CFPC 99 PRIORITY TOPIC IN FAMILY MEDICINE
CONTACT: Karyn.Iversen@umanitoba.ca or 204-480-1368

FALL 2017

OCTOBER 13
HOT TOPICS IN PRIMARY CARE
Navigating the New Opioid Guidelines* | Recognizing Complications of THC | Complementary Medicine – What’s the Evidence?* | MAID – One Year Later | Smoking Cessation – To Vape or Not to Vape* | Infant Jaundice – Know What to Do* | Non-Surgical Options for Joint Pain*

NOVEMBER 10
RENAL FOR THE BUSY CLINICIAN
Challenges of CKD* | Renal Toxicology | Hematuria | Sorting out Electrolyte Imbalance | Acute Renal Failure* | Renal Transplant Update | Nephrolithiasis – What’s New?

DECEMBER 1
TRENDS & CHALLENGES IN VIROLOGY
Are We Ready for the Next Pandemic? | Identifying Common Viral Exanthems* | Vaccine Refresher* | Managing Viral Ocular Conditions | Upper Respiratory Infections* | Immunizations for the Immigrant Population

CFPC Mainpro+ Group Learning
This Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been approved by the CPD Medicine Program, University of Manitoba for up to 4.5 Mainpro+ credits.

RCPSC Section 1
This event is an Accredited Group Learning Activity (Section 1) as defined by the MOC Program of The Royal College of Physicians and Surgeons of Canada, and approved by the CPD Medicine Program, University of Manitoba for a maximum of 4.5 hours.

Participants should only claim credit for the actual number of hours attended.

Pharmacy Credits
The College of Pharmacists of Manitoba recognizes learning activities that have been accredited by The Royal College of Physicians and Surgeons of Canada (MOC) and/or The College of Family Physicians of Canada (Mainpro+). Pharmacists can claim these continuing medical education programs as accredited learning by selecting the appropriate accrediting body in the member’s online Professional Development Log.

WINTER/SPRING 2018

JANUARY 12
ONCOLOGY DAY
Navigating the Cancer Care System | Lymphoma | Upper GI Neoplasms* | Identifying Vulvar Lesions* | Assessing the Soft Tissue Mass* | What’s New in Pulmonary Oncology?*

FEBRUARY 2
ADVANCES IN CHRONIC CARE
Dyslipidemia Update* | Multi-Vessel Coronary Disease – Who You Gonna Call?* | Channelopathies | Dietary Management in Chronic Diseases* | Peripheral Vascular Diseases Treatments – What’s New? | Congenital Heart Defects – Peds and Beyond

MARCH 2
NEUROLOGY UPDATE
Identifying Common Movement Disorders | Multiple Sclerosis Update | New Management of Migraine and Other Common Headaches* | Basics in Spinal Cord Injuries in Primary Care | Epilepsy* | Myasthenia Gravis – The Work Up

APRIL 6
“A PATIENT PRESENTS WITH A RED AND PAINFUL EYE: WHAT DO YOU DO?”
The Red Eye: When to Refer and to Whom | Basic Eye Exam | Cataract Surgery in the 21st Century | Common Pediatric Ocular Problems | What Family Physicians Should Know About Glaucoma | Treatment of Age-Related Macular Degeneration (AMD) and Diabetic Retinopathy: What to do about “Floaters and Flashes”

JUNE 1
“WHAT TO DO WITH WHAT LIES UNDER THE DRESSING? A PRIMER ON WOUND CARE”
A multidisciplinary presentation will address a broad range of topics ranging from understanding the evidence to the psychology of chronic disease. The program will be fast-paced, with multiple opportunities for audience engagement. Presentations will also address such important topics as vascular assessment, wound microbiology, pressure relief, and diagnosing and managing rashes, blistering and malignant wounds. The day will be wrapped up with a 45-minute session consisting of interactive case discussions.

BANNATYNE CAMPUS CPD PROGRAM FOR PRIMARY CARE

1330 - 1530 | FEES: \$175 PER SESSION

**TOPICS SUBJECT TO CHANGE

* DENOTES A CFPC 99 PRIORITY TOPIC IN FAMILY MEDICINE

CONTACT: Kelley.Khemiri@umanitoba.ca or 204-789-3547

NOTE: These workshops are not included in the fees for the plenary sessions

FALL 2017

OCTOBER 13 SPLINTING AND TAPING*

This interactive workshop will provide an overview of common splinting and taping techniques for soft tissue injuries encountered by primary care workers in the office, ER and in the field.

NOVEMBER 10 VESTIBULAR MANEUVERS IN THE OFFICE

Back again by popular demand! During this interactive workshop, participants will become familiar with maneuvers for diagnosing vestibular conditions as well as home exercises that are central to the vestibular rehabilitation therapeutic program.

DECEMBER 1 DERMATOLOGY PROCEDURES*

This hands-on workshop will teach the essential skills of performing biopsies as well as other office dermatological procedures.

“Amazing to have consistently engaging speakers! An excellent day that flew by!”

ARRHYTHMIA DAY | SEPTEMBER 30, 2016

WINTER/SPRING 2018

JANUARY 12 JOINT INJECTIONS*

This popular simulations-based workshop will focus on intra-articular and soft tissue injection techniques.

FEBRUARY 2 OFFICE SPIROMETRY

This skills lab will provide practical training for attendees in the use and interpretation of office spirometry assessments.

MARCH 2 FALL PREVENTION

This new skills session will focus on the fall risk assessment in the office and will provide practical tips on prevention and management of the patient with balance problems.

APRIL 6 OFFICE OPHTHALMOLOGY

This refresher skills workshop will review techniques in performing an office ophthalmology exam and a review of common office ocular procedures.

CFPC Mainpro+ Group Learning

This Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been approved by the CPD Medicine Program, University of Manitoba for up to 4.0 Mainpro+ credits.

RCPSC Section 1

This event is an Accredited Group Learning Activity (Section 1) as defined by the MOC Program of The Royal College of Physicians and Surgeons of Canada, and approved by the CPD Medicine Program, University of Manitoba for a maximum of 4.0 hours.

Participants should only claim credit for the actual number of hours attended.

Pharmacy Credits

The College of Pharmacists of Manitoba recognizes learning activities that have been accredited by The Royal College of Physicians and Surgeons of Canada (MOC) and/or The College of Family Physicians of Canada (Mainpro+). Pharmacists can claim these continuing medical education programs as accredited learning by selecting the appropriate accrediting body in the member's online Professional Development Log.

Operating in 12 Manitoba communities, this program offers physicians practicing outside of Winnipeg the opportunity for on-site or videoconference CPD sessions. In addition, all sites receive the Bannatyne Campus Program by videoconference through MBTelehealth.

In order to address the unique clinical characteristics of each community, this program has community physicians who chair each session. These physicians identify the learning needs of their colleagues and work with the U of M CPD Medicine Program to organize CPD events.

The Community-Based Program is supported by an unrestricted education grant from the Office of Rural and Northern Health.

2017-18 SCHEDULE

**Topics subject to change

* Denotes a CFPC 99 priority topic in Family Medicine

SOUTHERN HEALTH – SANTÉ SUD

CONTACT: Karyn.Iversen@umanitoba.ca or 204-480-1368

MORDEN/WINKLER

Time: 1000 – 1600 | Credits: 5.0 Mainpro+ per session | Location: Boundary Trails Health Centre | Fees: See Page 9

PRAIRIE MOUNTAIN HEALTH

CONTACT: Karyn.Iversen@umanitoba.ca or 204-480-1368

BRANDON

FALL CONFERENCE: November 17 & 18, 2017 - Victoria Inn, Brandon, MB

SPRING CONFERENCE: May 11 & 12, 2018 - Elkhorn Resort, Onanole, MB

Prairie Mountain Health has collaborated with U of M CPD Medicine Program to offer a twice-yearly program entitled the *Brandon Primary Care Conference*. This program is designed to provide a wide range of timely and challenging topics relevant to physicians working in outpatient and inpatient settings. The main program objectives are to enhance clinical competence and improve patient care. This program will feature a combination of lectures, case studies and hands-on activities.

BRANDON PRIMARY CARE CONFERENCE INCLUDES:

- Plenary sessions featuring presentations on:
 CHF Update | Syphilis Outbreak – What You Need To Know* | New Topics in HIV* | MAID – one year later | Managing the Difficult Patient* | Navigating Geriatric Pain* | ADHD Update | What's New in Depression and Anxiety Management* | Psychogeriatrics* | Tuberculosis*

This event is an Accredited Group Learning Activity (Section 1) as defined by the MOC Program of The Royal College of Physicians and Surgeons of Canada, and approved by the CPD Medicine Program, University of Manitoba for a maximum of 6.0 hours.

PLENARY FEES

Physician	\$200
Nurse and Allied Health	\$100
Resident	\$35
Skills Workshop	\$175

Note: The CPD annual fee does not include this event.

ADDITIONAL

CPD PROGRAMS FOR FAMILY PHYSICIANS & PRIMARY CARE

EVENTS

OBSTETRICS & GYNECOLOGY: CELEBRATING THE PAST: EMBRACING THE FUTURE NEW HSC WOMEN'S HOSPITAL REDEVELOPMENT PROJECT

September 22-23, 2017

Frederic Gaspard Theatre, Basic Medical Sciences Building, 745 Bannatyne Ave.

This exciting two-day event includes a variety of learning opportunities, including hands-on workshops, tours and lectures. Come and celebrate with us as we learn from invited guest speakers from Manitoba and beyond through keynote addresses and small group skills sessions.

Contact: Kelley.Khemiri@umanitoba.ca or 204-789-3547

CARDIOLOGY DAY

September 29, 2017

Frederic Gaspard Theatre, Basic Medical Sciences Building, 745 Bannatyne Ave.

Cardiovascular disease continues to be a major disease burden in terms of both mortality and health related quality of life and is an important source of health inequalities between populations in Canada. This one-day program will provide an overview of controversies and uncertainties in the areas of treatment and intervention of cardiovascular disease.

Contact: Karyn.Iversen@umanitoba.ca or 204-480-1368

CFPC EXAMINATION PREP COURSE

September 29-30, 2017 | Cost: \$1199

Basic Medical Sciences Building, 745 Bannatyne Ave.

This day and a half workshop will provide practice eligible physicians with hands-on experience in taking the College of Family Physicians of Canada Certification Examination. Participants will practice both writing Short Answer Management Problems (SAMPs) and Simulated Office Orals (SOOs). This course is limited to graduates of the University of Manitoba IMG-MLP and IMG-ACL programs who are currently practicing in Manitoba. Preference is given to those who are registered for the October 2017 or April 2018 sittings of the CCFP Examination.

Contact: Lenore.Chipman@umanitoba.ca or 204-789-3238

BUG DAY 2017

October 17, 2017

Basic Medical Sciences Building, 745 Bannatyne Ave.

Bug Day is Manitoba's largest healthcare education event. After attending Bug Day, you will be able to: promote infection prevention and control principles and practices; promote hand hygiene awareness and safe health practices for the prevention of infection; identify emerging and existing pathogens, at risk populations and situations relevant to the transmission of infection, and how we can modify these conditions.

Contact: CDGarlinski@hsc.mb.ca or 204-787-4654

ORTHOPAEDIC SYMPOSIUM

October 19-20, 2017

Sam Cohen Auditorium, St. Boniface Hospital Research Centre, 351 Taché Avenue

The annual Orthopaedic Symposium provides a forum on the latest treatment of orthopaedic problems and is designed to enhance the knowledge, skills and abilities of those participants who have an interest in, or a requirement to deal with these conditions.

Contact: Kelley.Khemiri@umanitoba.ca or 204-789-3547

STROKE DAY

October 27, 2017

Basic Medical Sciences Building, 745 Bannatyne Ave.

Stroke Day is a full day of education about stroke and related cerebrovascular diseases. This will include hyper acute, acute, inpatient and outpatient managements of stroke (ischemic and hemorrhagic), stroke prevention at the family physician's office, management of atrial fibrillations and uses of anticoagulation, TIA recognition and managements, stroke in the young, brain images in stroke and an update on stroke rehabilitation.

Contact: Lenore.Chipman@umanitoba.ca or 204-789-3238

MANITOBA PSYCHIATRIC ASSOCIATION SECOND ANNUAL PRIMARY MENTAL HEALTH CARE CONFERENCE

November 1, 2017

Promenade B & Tache Room, Norwood Hotel, 112 Marion St.

The Manitoba Psychiatric Association (MPA) welcomes you to their Second Annual Primary Mental Health Care Conference. This full day event will offer clinicians the latest in mental health topics commonly encountered in outpatient practice. Sessions will include maintaining a therapeutic relationship during difficult prescribing requests and a clinical approach to insomnia.

Contact: KSimpson@exchange.hsc.mb.ca or 204-787-7098

MEDICATIONS, EVIDENCE & DECISION SUPPORT (MEDS) CONFERENCE

January 27, 2018

Frederic Gaspard Theatre, Basic Medical Sciences Building, 745 Bannatyne Ave.

The MEDS Conference is a powerful new education event that casts a critical eye on the evidence of benefit of the medications we prescribe every day. A collaboration between the College of Pharmacy and the Max Rady College of Medicine, this full day Saturday event is free of industry support. It features accomplished speakers that will entertain and sharpen your judgement as you make prescribing decisions.

Contact: Lenore.Chipman@umanitoba.ca or 204-789-3238

BACK TO ANATOMY 2018

February 2018

Gross Anatomy Lab, Basic Medical Sciences Building, 745 Bannatyne Ave.

Under the guidance of experienced human anatomy teachers, it's your chance to work in small groups as you review the anatomy of the lower and upper extremities. It's Back to Anatomy in the lab you remember from your training for an "engrossing" morning! In rotating stations, you will receive overviews of the key 3D spatial relationships in the shoulder, knee, elbow, and other structures. You will explore a variety of prosected specimens and refresh and relearn the anatomy that underpins the diagnostic and therapeutic work you do every day in clinic.

Contact: Kelley.Khemiri@umanitoba.ca or 204-789-3547

MANITOBA PSYCHIATRIC ASSOCIATION FIFTH ANNUAL SPRING SCIENTIFIC CONFERENCE

May 27-28, 2018

Location: TBA

The Manitoba Psychiatric Association (MPA) welcomes you to their Fifth Annual Spring Scientific Conference. Topics: TBA.

Contact: KSimpson@exchange.hsc.mb.ca or 204-787-7098

MAAP SUMMER SYMPOSIUM 2018

August 2018

Hecla Lakeview Resort

The Manitoba Asian Association of Physicians (MAAP) Summer Symposium will provide the participants an opportunity to acquire and review clinical knowledge relevant to family medicine practice.

Contact: Kelley.Khemiri@umanitoba.ca or 204-789-3547

FOUNDATION COURSE IN OCCUPATIONAL MEDICINE

The Foundation Course in Occupational Medicine, developed by the University of Alberta's Division of Preventive Medicine, is a distance learning course designed to provide knowledge and skills in the areas of occupational medicine encountered in family medicine and other community-based clinical practice.

Physicians who have satisfactorily completed Parts A and B of the Foundation Course in Occupational Medicine and have been awarded certificates of completion are eligible to write the Associate Membership (ACBOM) examination of the Canadian Board of Occupational Medicine (CBOM).

Registration information, including participant enrolment eligibility, important dates, and tuition fees are available on the course website: www.foundationcourse.ualberta.ca

Contact: Allen.Kraut@umanitoba.ca or 204-789-3294

SERVICES

ECG EXAM ADMINISTRATION

Cost: \$250

The CPD Medicine Program oversees an approved examination developed by the section of cardiology at the University of Manitoba Max Rady College of Medicine. The examination is a requirement for any physician wanting to provide official interpretation of ECGs in the Province of Manitoba, who are not certificants of the RCPSC in cardiology, or hold a certificate of special competence in cardiology.

Contact: Lenore.Chipman@umanitoba.ca or 204-789-3238

MPAR - CPD CREDITS FOR MPAR PARTICIPATION

Convert your participation in the Manitoba Physician Achievement Review (mpar.ca) into credits! Reflect on your report with a trusted peer, complete the U of M form provided by the College of Physicians and Surgeons of Manitoba, and submit to the CPD office for CFPC and Royal College credits. The MPAR is completed every seven years by all Manitoba physicians.

Contact: Karyn.Iversen@umanitoba.ca or 204-480-1368

SELF-DIRECTED CLINICAL TRAINEESHIPS

Cost: \$200

Self-directed clinical traineeships are planned learning experiences designed to meet an identified professional need, to gain knowledge and skills or enhance current ones. Traineeships require the identification of learning objectives and a supervisor who will help you to plan learning activities that meet your learning objectives. The activity must be a minimum of five days and/or 40 hours in duration and must be less than six months in duration. The traineeship usually occurs in a full-time block but part-time may be possible in certain disciplines. Go to:

www.cpd-umanitoba.com/self-learning/traineeships/

Contact: Lenore.Chipman@umanitoba.ca or 204-789-3238

GENERAL INFORMATION

REGISTRATION

For first time registrants, please follow the instructions below:

- Visit our website at cpd-umanitoba.com
- Click on **Create Account** (top right corner) to create your profile
- Fill out your profile information (*select your email carefully – this is how you are identified in the system and you will not be able to change it*)
- After completing your profile information, click on **Register** at the bottom of the page
- You are now logged into your profile and are able to register for events (for future event registrations, you must log in using the email address and password you used to create your profile)
- To register for an event, you must complete the following:
 - Click on **Find an Event** (top left tab) OR search for a specific event by clicking on the **Search Website** box (top right) and typing in the name of the event
 - Scroll down to view all upcoming events
 - Select your desired event by clicking on **Register**
 - Scroll down to choose which event package you want and click on **Add to Event Cart**
 - Once the item is added to your event cart and you have finished searching for events, click on **Proceed to Checkout**
 - Process your payment by credit card and click on **Pay Now** to complete your payment

REIMBURSEMENT OF REGISTRATION FEES

Physicians may be eligible for reimbursement of registration fees and expenses from a fund administered by Doctors Manitoba. For more information, go to www.docsmb.org or call 204-985-5844.

ACCREDITATION

The University of Manitoba CPD Medicine Program is fully accredited by the Committee on Accreditation of Continuing Medical Education (CACME).

STUDY CREDITS

Select programs meet the accreditation criteria of the College of Family Physicians of Canada and the Royal College of Physicians and Surgeons of Canada.

PHARMACY CREDITS

The College of Pharmacists of Manitoba recognizes learning activities that have been accredited by The Royal College of Physicians and Surgeons of Canada (MOC) and/or The College of Family Physicians of Canada (Mainpro+). Pharmacists can claim these continuing medical education programs as accredited learning by selecting the appropriate accrediting body in the member's online Professional Development Log.

REGISTRATION

INFORMATION

The Bannatyne CPD Program for Primary Care Plenary Sessions & The Community-Based CPD Program for Primary Care

If you register for the Community-Based Program and pay the **annual fee**, you may attend any of the Bannatyne sessions at no additional charge. Contact Karyn Iversen at Karyn.Iversen@umanitoba.ca or 204-480-1368.

 Joseph Wm. Partyka | MD, CCFP
 Tim Ross | MSc, MD, CCFP
 Lenore Chipman
 Carolyn Garlinski

“Excellent speakers, well-chosen topics, one of the best CME days that I have attended.”

THE CHALLENGES OF AUTOIMMUNE DISORDERS | FEBRUARY 3, 2017

CONNECTING TO LEARNING... COMMITTING TO CARING

Busy clinicians, in changing times, focusing on the patient-practitioner relationship... committing to expert care, patient advocacy and scholarship. The University of Manitoba CPD Medicine Program shares that commitment in supporting you in your professional development.

Connecting you to high quality medical education has never been easier with new topics, new programs and our new website: CPD-umanitoba.com. Register online, explore our events page and join us for one of our many educational plenary sessions, skills labs or stand-alone programs. From therapeutic updates, to mastering dermatological procedures, to advances in renal and neurology care, there are scores of events to choose from that are accredited for both the generalist and the specialist. This year be a part of the ever popular Bug Day or celebrate the past and the future of Women's Health with a two-day, blockbuster educational conference and tour of the new Women's hospital.

Along with our signature Bannatyne Campus and Community-Based Programs in four rural locations in the province, we are thrilled to add two new series to our 2017/18 line up. The live Best of Bannatyne Webinars showcase some of the most highly evaluated topics from our Fridays @ the University presentations. Or, spend Saturday mornings with us at our new Breakfast with the Experts sessions, which explore common infectious disease topics in a highly interactive small-group setting.

Come see what the university has to offer... a new look and a great new season. Connect with us as we commit to your Learning... For life.
