To register for the morning session, [click here](#).

The afternoon hands-on Skills Workshop from 1330 – 1530 is a separate event. The topic is Basic Cardiac Life Support (not available through MBTelehealth). To register for the afternoon workshop, [click here](#).

OVERVIEW

The Continuing Professional Development (CPD) Bannatyne Campus Program for Family Physicians is designed to provide a wide range of timely and challenging topics relevant to an office based practice. Working closely with doctors and professional organizations across Manitoba, programs are designed to address current issues relevant to the needs and demands of physicians. These programs are flexible, accessible, innovative and responsive.

Continuing Professional Development is committed to providing high quality educational programs to Manitoba physicians. The main program objectives are to enhance clinical competence and improve patient care. This series of courses will feature a combination of plenary sessions and panel discussions that

will allow the participant an opportunity for interaction in a convenient, centrally located venue.

The Bannatyne Campus Series offers approximately 40 hours of lectures and/or workshops throughout the academic year commencing in early October and ending in June. All plenary sessions will be held in the Frederic Gaspard Theatre at the Faculty of Health Sciences.

THIS PROGRAM WILL BE OF INTEREST TO

Family physicians, specialists, nurses, family medicine residents, physician assistants, pharmacists, and other allied health professionals.

OUR MISSION

The Continuing Professional Development (CPD) Program of the College of Medicine strives to improve the quality of health care in Manitoba by providing excellent, needs-based educational activities to physicians and other health professionals that produce changes in knowledge, skills, attitudes and behaviours.

Professor, Pediatrics & Child Health | Assistant
Professor, Immunology | University of Manitoba

CanMEDS Roles Integrated in Today's Presentations

MEDICAL EXPERT

As **Medical Experts**, physicians integrate all of the CanMEDS Roles, applying medical knowledge, clinical skills, and professional attitudes in their provision of patient-centered care. **Medical Expert** is the central physician Role in the CanMEDS framework.

LEADER

As **Leaders**, physicians are integral participants in healthcare organizations, organizing sustainable practices, making decisions about allocating resources, and contributing to the effectiveness of the healthcare system.

COMMUNICATOR

As **Communicators**, physicians effectively facilitate the doctor-patient relationship and the dynamic exchanges that occur before, during, and after the medical encounter.

SCHOLAR

As **Scholars**, physicians demonstrate a lifelong commitment to reflective learning as well as the creation, dissemination, application and translation of medical knowledge.

HEALTH ADVOCATES

As **Health Advocates**, physicians responsibly use their expertise and influence to advance the health and well-being of individual patients, communities, and populations.

FEES

FEE PER SESSION

Physician **\$190.00** Nurse and Allied Health **\$75.00** Resident / Student **\$35.00**

ANNUAL FEE FOR 8 SESSIONS

Physician **\$845.00** Nurse and Allied Health **\$360.00** Resident / Student **N/A**
