

RADY FACULTY OF HEALTH SCIENCES, RESEARCH DEVELOPMENT

GRANT WRITING WORKSHOP FOR NEW FACULTY

WEDNESDAY, JUNE 20, 2018
9:00 - 11:00 AM

A474 Chown · Bannatyne Campus

Moderated by **Dr. Lorrie Kirshenbaum**

Director of Research Development, Max Rady College of Medicine

Interested in improving your grant writing skills? Attend this workshop!

Purpose

The aim of the workshop is to help new clinical and basic faculty members secure competitive research grants by improving their grant writing abilities.

Learning Objectives

This workshop will focus on:

- designing a competitive grant proposal
- communicating ideas effectively
- analyzing the peer review process
- writing a coherent and effective summary
- identifying appropriate funding agencies
- preparing a budget
