OPIOID REPLACEMENT THERAPY 101: AN INTRODUCTION TO CLINICAL PRACTICE

This two day inter-professional workshop is of value to health-care professionals who are interested in treating and supporting individuals with opioid use disorder (opioid addiction). This workshop is recognized by the College of Physicians and Surgeons of Manitoba, the College of Registered Nurses of Manitoba and the College of Pharmacists of Manitoba as a prerequisite training requirement in order to prescribe or dispense methadone and buprenorphine/naloxone in Manitoba.

The workshop is accredited for both family physicians and Royal College fellows. Whether you are interested in prescribing or dispensing opioid replacement therapy or you just want to learn more about opioid addiction and the resources available to your patients - this workshop will arm you with new knowledge and skills around supporting this vulnerable patient population.

Physicians, nurses, nurse practitioners, pharmacists and allied health-care providers are invited to register now! Space is limited!

WINNIPEG WORKSHOP DATES:

Sept 13 and 14, 2018	May 23 and 24, 2019
Nov 22 and 23, 2018	Sept 12 and 13, 2019
April 25 and 26, 2019	Dec 5 and 6, 2019

All workshops run **0800 to 1630** both days.

LOCATION OF WINNIPEG WORKSHOPS:

The College of Physicians and Surgeons of Manitoba
1000 - 1661 Portage Avenue, Winnipeg, MB R2J 3T7

RURAL AND REMOTE WORKSHOP DATES:

February 28 and March 1, 2019 | Canway Inn & Suites, Dauphin, MB
March 21 and 22, 2019 | Wescana Inn, The Pas, MB
June 20 and 21, 2019 | Thompson, MB
Nov 7 and 8, 2019 | Quality Inn Winkler, Winkler, MB

FEES:

Physician \$1250 | Resident \$400 | Nurse Practitioner \$400
Nurse \$350 | Pharmacist & Allied Health \$300

CFPC MAINPRO+ GROUP LEARNING

THIS TWO-CREDIT-PER-HOUR GROUP LEARNING PROGRAM MEETS THE CERTIFICATION CRITERIA OF THE COLLEGE OF FAMILY PHYSICIANS OF CANADA AND HAS BEEN CERTIFIED BY THE CPD MEDICINE PROGRAM, UNIVERSITY OF MANITOBA FOR UP TO 27.5 MAINPRO+ CREDITS.

RCPC MOC SECTION 1

THIS EVENT IS AN ACCREDITED GROUP LEARNING ACTIVITY (SECTION 1) AS DEFINED BY THE MAINTENANCE OF CERTIFICATION PROGRAM OF THE ROYAL COLLEGE OF PHYSICIANS AND SURGEONS OF CANADA, AND APPROVED BY THE CPD MEDICINE PROGRAM, UNIVERSITY OF MANITOBA FOR A MAXIMUM OF 9.5 HOURS.

RCPC MOC SECTION 3

THIS ACTIVITY IS AN ACCREDITED SIMULATION ACTIVITY (SECTION 3) AS DEFINED BY THE MAINTENANCE OF CERTIFICATION PROGRAM OF THE ROYAL COLLEGE OF PHYSICIANS AND SURGEONS OF CANADA, AND APPROVED BY THE CPD MEDICINE PROGRAM, UNIVERSITY OF MANITOBA ON APRIL 4, 2018 AND EXPIRES APRIL 4, 2021. REMEMBER TO VISIT MAINPORT TO RECORD YOUR LEARNING AND OUTCOMES. YOU MAY CLAIM A MAXIMUM OF 4.25 HOURS (CREDITS ARE AUTOMATICALLY CALCULATED).

PHARMACISTS

THE COLLEGE OF PHARMACISTS OF MANITOBA RECOGNIZES LEARNING ACTIVITIES THAT HAVE BEEN ACCREDITED BY THE ROYAL COLLEGE OF PHYSICIANS AND SURGEONS OF CANADA (MOC) AND/OR THE COLLEGE OF FAMILY PHYSICIANS OF CANADA (MAINPRO+). PHARMACISTS CAN CLAIM UP TO 13.25 CONTINUING EDUCATION UNITS (CEU) AS ACCREDITED LEARNING BY SELECTING THE APPROPRIATE ACCREDITING BODY IN THE PHARMACIST'S ONLINE PROFESSIONAL DEVELOPMENT LOG.

COMMUNITY-BASED CPD PROGRAM

FOR RURAL PRIMARY CARE PROVIDERS

In order to address the unique clinical characteristics of each community, this program is planned and chaired by representatives from each rural community. These physicians identify the learning needs of their colleagues and work with the U of M CPD Medicine Program to organize CPD events available to 12 Manitoba communities, either live or via MBTelehealth.

The Community-based Program is supported by an unrestricted education grant from the MB Healthcare Providers Network.

Speakers of different backgrounds and professions keeps things balanced. I liked the “quick-fire” sessions. Lots of great info and not too much time spent on anything.

MEDS Conference 2018

CFPC EXAM PREPARATION COURSE **SEPTEMBER 7-8, 2018; SEPTEMBER 6-7, 2019**

Basic Medical Sciences Building, 745 Bannatyne Ave.

Are you an internationally educated physician who plans to sit the College of Family Physicians of Canada Certification Examination? This examination preparation course will help demystify the Certification Examination, through a combination of didactic sessions, practice exam with short-answer management problems and five simulated office orals. Preference is given to graduates of the University of Manitoba Practice Ready Assessment - Family Practice (PRA MB – FP) and the Medical Licensure Program for International Medical Graduates (MLPIMG) programs.

FEE: \$1400 Register online at cpd-umanitoba.com

CARDIOLOGY DAYS 2018 **SEPTEMBER 21-22, 2018**

Frederic Gaspard Theatre

Basic Medical Sciences Building, 745 Bannatyne Ave.

Cardiovascular disease continues to be a major disease burden in terms of both mortality and health-related quality of life and is an important source of health inequalities between populations in Canada. This one and one-half day program provides an overview of controversies and uncertainties in the areas of treatment and intervention of cardiovascular disease.

Register online at cpd-umanitoba.com

BUG DAY **OCTOBER 16, 2018; OCTOBER 22, 2019**

Basic Medical Sciences Building, 745 Bannatyne Ave.

Bug Day is a day-long symposium focusing on hot topics in infection prevention and control, infectious diseases and public health. The speakers are locally, nationally and internationally recognized experts in these areas.

FREE EVENT! Contact: CDGarlinski@hsc.mb.ca
or 204-787-4654

Register online at cpd-umanitoba.com

ORTHOPAEDIC SYMPOSIUM **OCTOBER 18-19, 2018**

Sam Cohen Auditorium

St. Boniface Hospital Research Centre, 351 Taché Ave.

This annual symposium provides a forum on the latest treatment of orthopaedic problems and is designed to enhance the knowledge, skills and abilities of those participants who have an interest in, or a requirement to deal with these conditions.

Register online at cpd-umanitoba.com

INNOVATION & CLARITY IN LONG TERM CARE **NOVEMBER 24, 2018**

Frederic Gaspard Theatre

Basic Medical Sciences Building, 745 Bannatyne Ave.

This inaugural education event is jointly planned by the WRHA Long Term Care Program (LTC) and CPD Medicine. The agenda features speakers in 6 key areas relevant to LTC including: behaviours in dementia, deprescribing, wound care, pain management, end-of-life care and transfers. The target audience is health-care professionals working in long-term care, personal care homes and geriatrics or with older adults including physicians, nurse practitioners, physician assistants, pharmacists, nurses and other allied health professionals. Live webcast available!

MEDICATIONS, EVIDENCE & DECISION SUPPORT (MEDS) CONFERENCE

JANUARY 26, 2019

Frederic Gaspard Theatre

Basic Medical Sciences Building, 745 Bannatyne Ave.

This powerful educational event casts a critical eye on the balance between benefit and harm of the interventions we prescribe every day. A collaboration between the Max Rady College of Medicine and College of Pharmacy, this full day Saturday event is free of industry support. It features accomplished speakers that will entertain and sharpen your judgement as you make therapeutic decisions with your patients. Live webcast available.

Register online at cpd-umanitoba.com

GERIATRIC ONCOLOGY DAY 2019

MARCH 15, 2019

Frederic Gaspard Theatre

Basic Medical Sciences Building, 745 Bannatyne Ave.

Building upon the success and interest of its inaugural education event in 2018, this year's Geriatric Oncology Day will continue to support efforts to enhance oncology teams' ability to integrate geriatric principles into practice and establish a community of practice amongst Manitoba clinicians who care for older patients with cancer. Some of the topics to be covered include: dementia, case management, immunotherapy, polypharmacy and strategies for integrating geriatric oncology into a cancer centre.

2019 MPA SPRING SCIENTIFIC CONFERENCE

MAY 4-5, 2019

Location TBA

This two day event is aimed at professionals and learners having a focus or interest in mental health. Conference theme and topics will be announced at a date closer to the event.

Register online at cpd-umanitoba.com

CANCER DAY FOR PRIMARY CARE 2019

MAY 10, 2019

Frederic Gaspard Theatre

Basic Medical Sciences Building, 745 Bannatyne Ave.

With an increasing trend towards to the use of immunotherapy for some cancer treatments, there is an urgent need to increase awareness about immune-directed therapies and their toxicities. In recognizing the significance of expanding clinicians' knowledge of this rapidly growing area, Immuno-Oncology will cover topics related to the basic science of immune therapies for cancer, current indications and investigational applications, toxicities of immune checkpoint inhibitors and CAR-T cell therapy.

Register online at cpd-umanitoba.com

ACS NETWORK HEART ATTACK DAY 2019

DATE TBA

Sam Cohen Auditorium

St. Boniface Hospital Research Centre, 351 Taché Ave.

Each year over 2,300 heart attacks are treated at St. Boniface Hospital. The Manitoba Acute Coronary Syndrome (ACS) Network is committed to improving outcomes for these patients by ensuring that heart attack patients have guideline-based care optimally, consistently and safely administered throughout the province. The network employs recommended standards, algorithms, review of local protocols, partnering with EMS and reporting of key performance indicators to ensure quality. In addition, strong links have been formed between the network and health-care providers working at First Nations sites in order to address their specific needs.

The ACS Network annual Heart Attack Day is designed to teach Manitoba physicians, nurses, pharmacists, EMS and educators optimal care of patients with heart attacks through didactic lectures, workshops and panel discussions.

FEBRUARY 21, 2019 | MARCH 7, 2019 |

MARCH 21, 2019 | APRIL 4, 2019 | APRIL 18, 2019 |

MAY 2, 2019 | MAY 16, 2019 | MAY 30, 2019

Room 500 John Buhler Research Centre, 715 McDermot Ave.

This interactive discussion series of 18 one-hour sessions is conducted for the benefit of the practicing pediatrician. The topics chosen are introduced by a guest expert, followed by a discussion and question and answer period based on problems brought from the practice of the participants. It is the collective experience of the group that benefits all individuals attending.

Sessions emphasize clinical problems. This emphasis allows participants to benefit from the experience of peers as well as that of the guest speaker. The content of future programs of this interactive discussion series will be directed by the participants through their suggestions and questions raised during the course of each session.

This series is scheduled to allow interested pediatricians to attend Pediatric Grand Rounds.

FEE: \$400 Register online at cpd-umanitoba.com

SERVICES

ECG EXAM ADMINISTRATION

CPD Medicine oversees an approved examination developed by the Max Rady College of Medicine, Section of Cardiology at the University of Manitoba. The examination is a requirement for any physician wanting to provide official interpretation of ECGs in the province of Manitoba, who are not certificants of the RCPSC in cardiology or hold a certificate of special competence in cardiology.

FEE: \$250 **Contact:** contactcca@umanitoba.ca

SELF-DIRECTED CLINICAL TRAINEESHIPS

Self-directed clinical traineeships are planned learning experiences designed to meet an identified need, to learn new knowledge and skills or enhance current ones. Traineeships require the identification of learning objectives and a preceptor who will help you plan learning activities that meet your objectives. The activity must be a minimum of 5 days and/or 40 hours duration and must be less than 6 months duration. The traineeship usually occurs in a full-time block but part-time may be possible in certain disciplines. Applicants must procure a qualified preceptor. See cpd-umanitoba.com/self-directed-learning/ for more information.

FEE: \$200 **Contact:** contactcca@umanitoba.ca

CLINICIAN ASSESSMENT PROGRAMS

BECOME A ROLE MODEL IN YOUR PROFESSION!

The Clinician Assessment Program (CAP) promotes and provides relevant, needs-based assessment and educational activities to health professionals to maintain and produce changes in knowledge, skills, attitudes and behaviours that will enable optimal provision of patient care.

CAP oversees the conduct of several practical clinical exams and administers the practical examination components of licensing examinations on behalf of national examination bodies for medicine, physiotherapy and pharmacy.

In addition, CAP oversees the development and implementation of personalized remediation and enhancement programs for regulated health professionals of any of the Rady Faculty of Health Sciences constituent colleges and departments.

OPPORTUNITIES FOR PHYSICIANS

The Clinician Assessment Program is currently seeking physicians in various roles for its programs.

- Physician assessors – Manitoba Physician Assessment Program: Family physicians complete 2-3 day customized direct observations of in-office practice of referred physicians as part of an assessment team.
- Physician examiners (specialists and family physicians): OSCE examiners for various national and local exams evaluating candidates across the continuum from medical school graduate to practicing physicians, including MCC exams (NAC and QEII) and CAP exams (Clinical Assistant Assessment and CAPE)
- Practice supervisors for re-entry: Providing supervision of physicians looking to re-enter medical practice after a period of absence.
- Remediation clinicians: Providing supervision and education to physicians looking to improve skills in medical practice.

REMUNERATION

All opportunities are paid, casual positions. Rate of remuneration is dependent on the role.

REASONS TO PARTICIPATE

- Improve personal observational, feedback and evaluation skills
- Help colleagues achieve and maintain safe practice in Manitoba
- Contribute to the practice of medicine in Manitoba
- Act as a role model for other physicians through your participation and commitment to your profession

FURTHER INFORMATION

Information about Clinician Assessment Programs can be found at http://umanitoba.ca/faculties/health_sciences/cca/

CPD ONLINE

NEW THIS FALL!

CPD is now more accessible than ever! Starting in September 2018, we will be providing access to specialized CPD courses on UM Learn, the University of Manitoba's online learning platform. Connect to learning opportunities at a time and place that's most convenient for you.

The number of courses available continues to grow. Some examples of current courses:

DEVELOPING LEARNING OBJECTIVES

Essential information for CPD planning committee members and educators. Learn to develop objectives for educational sessions that address higher levels of learning.

CFPC MAINPRO+ GROUP LEARNING THIS ONE-CREDIT-PER-HOUR SELF LEARNING PROGRAM MEETS THE CERTIFICATION CRITERIA OF THE COLLEGE OF FAMILY PHYSICIANS OF CANADA AND HAS BEEN APPROVED BY THE CPD MEDICINE PROGRAM, UNIVERSITY OF MANITOBA FOR UP TO 1.0 MAINPRO+ CREDITS.

RCPC MOC SECTION 1 THIS EVENT IS AN ACCREDITED GROUP LEARNING ACTIVITY (SECTION 1) AS DEFINED BY THE MAINTENANCE OF CERTIFICATION PROGRAM OF THE ROYAL COLLEGE OF PHYSICIANS AND SURGEONS OF CANADA, AND APPROVED BY THE CPD MEDICINE PROGRAM, UNIVERSITY OF MANITOBA FOR A MAXIMUM OF 1.0 HOURS.

MOVING FORWARD AFTER CANCER

This course addresses a spectrum of issues faced by adults who have survived a cancer diagnosis and describes a collaborative shared-care model for the delivery of follow-up care. This course was designed for family medicine and oncology postgraduate trainees, but is suitable for all health care professionals.

CPD PLANNING COMMITTEE RESPONSIBILITIES

As a member of a CPD Planning Committee, you are responsible for ensuring that all CPD event policies, procedures, and standards are followed throughout all phases of the event planning process. In this course you will learn about the various policies, procedures, and standards and how you can assist in putting all the pieces together.

ONLINE JOURNAL CLUB

Online review and discussion of current scholarly articles, facilitated by Dr. Diana Sanchez-Ramirez, CCA Director of Research, starting in October 2018.

For a full list of courses and registration instructions go to cpd-umanitoba.com/online-learning/

Subscribe to our e-news on cpd-umanitoba.com and receive updates on all upcoming courses and programs delivered right to your inbox.

Good opportunities for Q & A; clear, clinically useful advice from speakers.

EVEN MORE CPD!

The Bannatyne Campus CPD Program, Fridays at the University events are available to all Community-based Program registrants through MBTelehealth or in-person at no extra charge. Bannatyne Campus Program registrants may also attend Community-based CPD Programs in person or via MBTelehealth at no additional charge.

Contact Karyn.Iversen@umanitoba.ca or 204-480-1368.

ACCREDIT YOUR RRS GRAND ROUNDS

Do you want to accredit your Rounds and not certain of the process? Has the title or chair of your currently accredited Rounds changed? We can oversee and guide you through the RCPSC accreditation process/updates to ensure conditions are met in terms of the educational planning, records of attendance, evaluation, management of commercial support, honoraria, disclosure and management of conflict of interest. There is no fee for this, just contact our office at contactcca@umanitoba.ca for more information.

ACCREDIT YOUR EVENT

Are you looking to accredit and certify your program? We can help! The CPD Medicine Program is authorized by the Royal College of Physicians and Surgeons of Canada (RCPSC) to assign Maintenance of Certification Section 1 and Section 3 credits for all continuing education for specialist physicians that meet its standards. We can also approve Mainpro+ credits on behalf of the College of Family Physicians of Canada (CFPC), but only for those programs in which we work as close educational partners. For more information on how to apply, please email us at contactcca@umanitoba.ca.

ACCREDITATION

The University of Manitoba CPD Medicine Program is fully accredited by the Committee on Accreditation of Continuing Medical Education (CACME).

EVENT PLANNING SERVICES

Our experienced team of event planners are available to help you coordinate your next CPD event. Let us help you with registrations, promotion, venue selection, catering, financial management and evaluations.

Email contactcca@umanitoba.ca for more information.

REIMBURSEMENT OF REGISTRATION FEES

Physicians may be eligible for reimbursement of registration fees and expenses from a fund administered by Doctors Manitoba.

For more information, go to www.docsmb.org or call 204-985-5844.

PHARMACY CREDITS

The College of Pharmacists of Manitoba recognizes learning activities that have been accredited by The Royal College of Physicians and Surgeons of Canada (MOC) and/or The College of Family Physicians of Canada (Mainpro+).

Pharmacists can claim these continuing medical education programs as accredited learning by selecting the appropriate accrediting body in the member's online professional development log.

PLANNING COMMITTEES

FRIDAYS AT THE UNIVERSITY BANNATYNE CAMPUS CPD PROGRAM

Andrea Agostinho | MD, CCFP
Orvie Dingwall | BA, MLIS, AHIP
Jonathan Gabor | MSc, MD, FRCPC, SCH
Ravi Gupta | MD, CCFP
David Haligowski | MD, MCFP
Diane Labossière | MScN, NP
Steven Piotrowski | BSc, MSc, MPAS, CCPA
Marina Reinecke | MD, CCFP
Opeyemi Sobowale | MD, CCFP
Jeff Toews | MEd
Meghan Ward | BComm, CPHR

COMMUNITY-BASED CPD PROGRAM

Justin Bender | MD, CCFP
Vinit Elimban | MD, FRCPC
Marina Reinecke | MD, CCFP
Jeff Toews | MEd
Corné Vlok | MD, MBChB, CCFP
Meghan Ward | BComm, CPHR
Anita William | MD, CCFP
Jason Zhang | MD, CCFP

BRANDON PRIMARY CARE CONFERENCES

Vinit Elimban | MD, FRCPC
Theo Fourie | MBChB, CCFP
Harold Fung | MD, FRCPC
Stacey Kitz | MD, CCFP (EM)
Liesel Moller | MBChB, CCFP
Savitri Ramaya | MBChB, BOccTher
Marina Reinecke | MD, CCFP
Jeff Toews | MEd
Corné Vlok | MD, MBChB, CCFP
Meghan Ward | BComm, CPHR
Anita William | MD, CCFP
Jason Zhang | MD, CCFP

BREAKFAST WITH THE EXPERTS

John Embil | MD, FRCPC, FACP
Christine Polimeni | MD, CCFP
Catherine Gudmundson | MD, BSc (Med), CCFP
Joseph Wm. Partyka | MD, CCFP
Tim Ross | MSc, MD, CCFP
Carolyn Garlinski

FROM THE DIRECTOR

I LOVE TEACHING. I still get butterflies in my stomach at the start of every CPD event we host – not because I'm worried that something will go wrong, but because putting on a CPD event that engages and inspires other health-care providers is so exciting. We know that providers take their newfound skills to help their patients in every corner of Manitoba.

Reaching every corner of Manitoba is an important part of CPD Medicine's strategic plan moving forward. This year, we are pleased to announce a collaborative initiative with the College of Physicians and Surgeons of Manitoba and Manitoba Health, Seniors and Active Living. This initiative will take a two-day workshop on opioid replacement therapy to multiple rural and remote locations across our province in the coming years. As the opioid crisis continues to affect practitioners, patients and their families, this initiative aims to build a network of skilled providers of opioid addiction treatment in Manitoba.

It is my hope that this new initiative along with the ongoing rural programs we offer in various communities every year will meet the CPD needs of more rural practitioners working in underserved communities.

Thank you for your continued commitment to professional development and lifelong learning. Our slogan, Learning for Life, encompasses both the lifelong learning that all health-care practitioners commit to, as well as the ultimate goal that we strive for – improved health and quality of life for our patients. Your committed involvement in our programs allows us to continue to grow and innovate.

Marina Reinecke MD, CCFP
Director, CPD Medicine Program

SHINGLES AND FASCIA – NOT ONLY MEDICAL TERMS!

Seven volunteers from the Office of Continuing Competency and Assessment (CCA), of which the CPD Medicine program is a constituent, participated in this year's Rady Faculty of Health Sciences Habitat for Humanity build. The volunteers helped construct a ready-to-move home on the Bannatyne campus, which was then relocated to its permanent foundation on Flora Avenue in Winnipeg. The day was spent working alongside the new homeowners in the later stages of the build, adding insulation, roofing and finishing the eaves – a strenuous but ultimately very rewarding day!
