WORKSHOP

HOW TO DEVELOP GUIDELINES USING GRADE

Feb 19 - 22, 2019 • 9:00 am - 4:00 pm

207 Chown Building, 753 McDermot Ave
University of Manitoba, Winnipeg, MB

Featuring Nancy Santesso

Nancy Santesso is Assistant Professor in the Department of Health Research Methods, Evidence and Impact at McMaster University and a Registered Dietitian. She provides training nationally and internationally about methods for guideline development, the use of the GRADE approach in

guideline development and conducting systematic reviews. Her other research interests include the communication of evidence and guidelines to patients and the public.

Registration Details
